

## **FREEDOM FOR LULA, SOLIDARITY WITH BRAZIL**

The World Anti-Imperialist Youth Union (WAYU) express its solidarity with the former President of the Federative Republic of Brazil, comrade Luiz Inácio Lula Da Silva, who is a target of political and judicial persecution to prevent his running for president in the next elections of its country.

President Lula, leader of the Workers' Party of Brazil, is persecuted by the Temer junta who take the power with an illegal putsch against the democratic elected government of Dilma Rousseff. Brazil, as an emerging country part of the BRICS, was able to limit atlantic hegemony and imperialist could not accept it!

For this reason WAYU send its greetings to the brazialian youth that is defending justice and freedom against anti-democratic traitors who are in power. We demand the liberation of Lula and the return of democracy in Brazil!
